Special Thanks!

A special thanks to Alan and Carol Ann Olson for their generous gift, ensuring that the Stegner Awards will continue to honor those who have the greatest influence on the West, for many years to come!

Billy Frank, Jr.

For more than a half century, first as warrior then as diplomat, you have enriched society in the Pacific Northwest and America with your big spirit and your inspiring message, at once fierce and loving, of separate sovereign peoples living in civility and joining together in the sacred cause of sustaining the land that you revere and the rivers that run in your veins.
